Why Molton Brown?

Growing from small-scale artisans into the international fragrance brand we are today, our pioneering presence is felt in our stores and websites, in department stores, and the most esteemed hotels. Our quality has awarded us a Royal Warrant from Her Late Majesty Queen Elizabeth II.

We meticulously craft our fragrances in-house, in England, with our amenities sharing the same exceptional formulas as our retail collections. This makes us unique in the industry – we do not believe in diluting or changing our hotel products in any way.

Partnership has its privileges. We offer a signature array of services tailored to each unique hotel, including digital marketing support, as well as complimentary trade and consumer press coverage. From VIP Gifting to our Concierge Programme and staff

training, let us provide the unexpected finishing touches to make your guests’ stay their most memorable.

With over 40 years of experience working with the world’s finest hotels, we know the ingredients that enhance your guests’ indulgent moments.

We are delighted to be recognised for our efforts and are proud to have won LUX Life magazine’s Best Hotel Amenity Brand and COPRA’s Best British Brand for 2022.

The 1971 Collection

An Introduction

The 1971 Collection honours Molton Brown's founding year and proud legacy as small-scale English artisans curating the best natural ingredients.

Our organic philosophy was the first of its kind. We hand-blended herbal formulations at our original salon in Mayfair, London, using traditional techniques with a human touch.

Rooted deeply in our artisanal heritage whilst upholding our luxurious essence, the 1971 Collection has been crafted with the modern globetrotter in mind. It is also 100% vegetarian, staying true to our founders' sustainability values.

We delved into our archives to inspire the one-of-a-kind design of this collection. The monochromatic, apothecary-style bottles are a nod to our past practice of pouring mixtures into amber glass vessels for enhanced UV protection.

We reinvented the 'MB' monogram from some of our earlier products, lending a strong visual presence and symbol of effortless unity to this collection. All finished with a twist of the distinctive, ribbed black cap. A beautifully simple design that honours our heritage with a sense of the minimalist contemporary.
